Who does this policy affect?

This policy affects the colleges delivering subjects of GCE and GCSE qualifications which contain a component(s) of non-examination assessment.¹ During a JCQ inspection colleges of NCG will be required to provide a copy of this policy.

Purpose of the policy

The aims of this policy are indicated below:

- To ensure that all JCQ and awarding body guidelines are clearly understood and followed in the completion of non-examination assessments.
- To ensure colleges define staff roles and responsibilities with respect to non-examination assessments.
- To ensure colleges cover procedures for planning and managing non-examination assessments.
- To ensure that college managers (and NCG) have appropriate processes in place to manage and monitor potential risks that might apply to their centre with regards to non-examination assessments.

What are non-examination assessments?

Non-examination assessments measure subject-specific knowledge and skills that cannot be tested by timed written papers.

There are three assessment stages and rules which apply to each stage. These rules often vary across subjects. The stages are:

- Task setting;
- Task taking;
- Task marking (NEA)

¹ The regulator's definition of an examination is very narrow. In effect, any type of assessment that is not 'externally set and taken by candidates at the same time under controlled conditions' is classified as non-examination assessment (NEA). 'NEA' therefore includes, but is not limited to, internal assessment. Externally marked and/or externally set practical examinations taken at different times across centres are classified as 'NEA'.

[JCQ publication Instructions for conducting non-examination assessments, Foreword]

Procedures for planning and managing non-examination assessments identifying staff roles and responsibilities

The basic principles

Head of Centre

- Returns an online 'Head of Centre declaration' at the time of the National Centre Number Register annual update to confirm awareness of and that relevant centre staff are adhering to the latest version of NEA.
- Ensures the centre's non-examination assessment policy is fit for purpose.
- Ensures appropriate controls are in place which allow accurate data to be submitted to the awarding bodies, e.g., entries, internally assessed marks;
- Ensures that the examinations officer has sufficient time to perform their role and familiarise him/herself with relevant awarding body and JCQ documentation.
- Ensures the centre's internal appeals procedures clearly detail the procedure to be followed by candidates (or their parents/carers) appealing against internal assessment decisions (centre assessed marks) and requesting a review of the centre's marking.

Senior Leaders / Quality Assurance (QA) Lead

- Ensure the correct conduct of non-examination assessments (including endorsements) which comply with [NEA](#) and awarding body subject-specific instructions.
- Ensure the centre-wide calendar records assessment schedules by the start of the academic year.
- Confirms with subject heads that appropriate awarding body forms and templates for non-examination assessments (including endorsements) are used by teachers and candidates.
- Ensures appropriate procedures are in place to internally standardise/verify the marks awarded by subject teachers in line with awarding body criteria.
- Ensures appropriate centre-devised templates are provided to capture/record relevant information given to candidates by subject teachers.
- Ensures appropriate centre-devised templates are provided to capture/record relevant information is received and understood by candidates.
- Where not provided by the awarding body, ensures a centre-devised template is provided for candidates to keep a detailed record of their own research, planning, resources etc.
- Ensure appropriate processes in place to monitor and manage potential risks that might apply to their centre, an example of risk management processes contained in Appendix A.

Head of Department/Head of Department/Curriculum Lead

- Ensures subject teachers understand their role and responsibilities within the non-examination assessment process.
- Ensures NEA and relevant awarding body subject specific instructions are followed in relation to the conduct of non-examination assessments (including endorsements).
- Works with the QA lead/Lead internal quality assurer (IQA) to ensure appropriate procedures are followed to internally standardise/verify the marks awarded by subject teachers.

Subject Teacher

- Understands and complies with the general instructions as detailed in [NEA](#).
- Where these may also be provided by the awarding body, understands and complies with the awarding body's specification for conducting non-examination assessments, including any subject-specific instructions, teachers' notes or additional information on the awarding body's website.
- Marks internally assessed work to the criteria provided by the awarding body.
- Ensures the exams officer is provided with relevant entry codes for subjects (whether the entry for the internally assessed component forms part of the overall entry code for the qualification or is made as a separate unit entry code) to the internal deadline for entries.

Exams Officer

- Signposts the annually updated JCQ publication [NEA](#) to relevant centre staff.
- Carries out tasks where these may be applicable to the role in supporting the administration/management of non-examination assessment.

Task setting

Subject Teacher

- Selects tasks to be undertaken where a number of comparable tasks are provided by the awarding body OR designs tasks where this is permitted by criteria set out within the subject specification.
- Makes candidates aware of the criteria used to assess their work.

Issuing of tasks

Subject Teacher

- Determines when set tasks are issued by the awarding body.
- Identifies date(s) when tasks should be taken by candidates.

- Accesses set tasks in sufficient time to allow planning, resourcing, and teaching and ensures that materials are always stored securely.
- Ensures requirements for legacy specification tasks and new specification tasks are distinguished between.

Task taking

Supervision

Subject Teacher/Head of Department

- Checks the awarding body's subject-specific requirements ensuring candidates take tasks under the required conditions and supervision arrangements.
- Ensures there is sufficient supervision to enable the work of a candidate to be authenticated.
- Ensures there is sufficient supervision to ensure the work a candidate submits is their own.
- Is confident where work may be completed outside of the centre without direct supervision, that the work produced is the candidate's own.
- Where candidates may work in groups, keeps a record of each candidate's contribution.
- Ensures candidates are aware of the current JCQ documents².
- Ensures candidates understand and comply with the regulations in relevant JCQ documents.

Advice and feedback

Subject Teacher

- As relevant to the subject/component, advises candidates on relevant aspects before candidates begin working on a task.
- Will not provide candidates with model answers or outlines/headings specific to the task.
- When reviewing candidates' work, unless prohibited by the specification, provides oral and written advice at a general level to candidates.
- Allows candidates to revise and re-draft work after advice has been given at a general level.
- Records any assistance given beyond general advice and takes it into account in the marking or submits it to the external examiner.
- Ensures when work has been assessed, candidates are not allowed to revise it.

² [Information for candidates - non-examination assessments](#) and [Information for candidates - Social Media](#)

Resources

In many subjects candidates will use source material, including the internet and AI, when researching and planning their tasks. Candidates normally have unrestricted access to resources. Centres must refer to the JCQ document AI Use in Assessments: Protecting the Integrity of Qualifications:

<http://www.jcq.org.uk/exams-office/malpractice>

as well as the awarding body's specification and/or associated documentation published by the awarding bodies and the regulator.

Subject Teacher

- Refers to the awarding body's specification and/or associated documentation to determine if candidates have restricted/unrestricted access to resources when planning and researching their tasks.
- Ensures conditions for any formally supervised sessions are known and put in place.
- Ensures appropriate arrangements are in place to keep the work to be assessed, and any preparatory work, secure between any formally supervised sessions, including work that is stored electronically.
- Ensures conditions for any formally supervised sessions are understood and followed by candidates.
- Ensures candidates understand that they are not allowed to introduce improved notes or new resources between formally supervised sessions.
- Ensures that where appropriate to include references, candidates keep a detailed record of their own research, planning, resources etc.

Word Processing and time limits

The procedure (**Appendix 3**) details how the centre manages and administers the use of word processors (including laptops) in assessments. It should be read in conjunction with the JCQ guidance around [access arrangement and special considerations](#).

The use of word processors in non-examination assessment components will be considered standard practice unless prohibited by the specification.

Subject Teacher

- Refers to the awarding body's specification to determine where word and time limits apply/are mandatory.

Collaboration and group work

Subject Teacher

- Unless stated otherwise in the awarding body's specification, and where appropriate, allows candidates to collaborate when carrying out research and preparatory work.

- The teacher should keep a record of each candidate's contribution and it must be possible to attribute assessable outcomes to individual candidates
- Ensures that where an assignment requires written work to be produced, each candidate writes up their own account of the assignment.
- Assesses the work of each candidate individually.

Authentication procedures

Subject Teacher

Where required by the awarding body's specification.

- Ensures candidates sign a declaration confirming the work they submit for final assessment is their own unaided work.
- Signs the teacher declaration of authentication confirming the requirements have been met (electronic signatures are acceptable)
- Keeps signed candidate declarations on file until the deadline for requesting reviews of results has passed or until any appeal, malpractice or other results enquiry has been completed, whichever is later.
- Provides signed candidate declarations where these may be requested by a JCQ Centre Inspector.
- Where there may be doubt about the authenticity of the work of a candidate or if malpractice is suspected, follows the authentication procedures and malpractice information in [NEA](#) and follows the NCG Malpractice policy.
- Understands that if, during the external moderation process, it is found that the work has not been properly authenticated, the awarding body will set the mark(s) awarded by the centre to zero.

Presentation of work

Subject Teacher

- Obtains informed consent at the beginning of the course from parents/carers if videos or photographs/images of candidates will be included as evidence of participation or contribution.
- Instructs candidates to present work as detailed in [NEA](#) unless the awarding body's specification gives different subject-specific instructions.
- Instructs candidates to add their candidate number, centre number and the component code of the assessment as a header/footer on each page of their work.

- If post-results services have not been requested, returns internally assessed work to candidates (if requested by a candidate) after the deadline for requesting a review of results for the relevant series.
- If post-results services have been requested, returns internally assessed work to candidates (if requested by a candidate) once the review of results and any subsequent appeal has been completed.
- Reminds candidates of the need to keep their own work secure at all times and not share completed or partially completed work on-line, on social media or through any other means.
- Reminds candidates of the contents of the JCQ document Information for candidates – Social Media.

Access arrangements and Reasonable Adjustments

NCG has a duty to provide reasonable adjustments for our learners with special educational needs and/or disabilities to support their access to education, and ensure they are not disadvantaged during assessment in comparison to their peers.

Reasonable adjustments should be discussed and confirmed with learners at the earliest opportunity (typically at enrolment) to ensure that timely adjustments and/or support can be implemented. On occasions where reasonable adjustment requirements are not immediately disclosed or develop/ become apparent during a learner's course of study, these should be addressed and supported as soon as is practicable.

Examples of reasonable adjustments to assessments (including exam-access arrangements) may include:

- Scribes, reader or word processor
- Supervised rest breaks
- Private or smaller exam rooms
- Additional reading and assessment time
