

Join our Board of Governors and help us Unlock Potential Through Learning

NCG is one of the largest not-for-profit education and training groups in the UK, with seven colleges and two training providers delivering education and training opportunities to young people and adults across the UK.

As a Governor of NCG you will play an important role in ensuring the delivery of our purpose, to unlock potential through learning, and if you possess an understanding and appreciation of the value education and training can bring to individuals, businesses and communities we'd love to hear to from you.

Our colleagues and learners come from a broad and diverse demographic and we strive to mirror this in our Board of Governors. As a Governor of

NCG we want your insight, experience and ideas to widen the perspective of our boardrooms and welcome applications from those of all ages and cultural backgrounds, with a varied range of skills and experience. We would particularly welcome interest from those with a legal, financial, IT, marketing or academic background.

This voluntary role offers many personal and professional rewards and will provide you with a unique opportunity to develop your skills and experience within an inspiring and values based organisation.
