1. Admissions

Admissions decisions are made in accordance with each College’s International Admissions Policy.

All applicants from outside of the UK / EU / EEA who intend to apply for a Student Route Visa to study at an NCG College are required to pass a rigorous admissions process which includes an admissions interview. This can be done in person if the applicant is in the UK and via Microsoft Teams if applying from overseas.

The minimum level of study which a Student is permitted to apply for is RQF Level 3 with courses offered to Students between RQF Level 3 – RQF Level 7.

NCG is an HEP and is permitted to deliver pre-sessional EFL courses to those sponsored under the Student Route, either as a separate course, or attached to an undergraduate or post-graduate degree course. To facilitate this a joint CAS for pre-sessional and main courses may be issued.

NCG currently has the following UKVI authorised study locations.

Newcastle College Rye Hill Campus NE4 7SA	Newcastle College Aviation Academy Newcastle International Airport NE13 8BT	Newcastle College Riverside Dene Cruddas Park Shopping Centre NE4 7QY	Newcastle College Rail & Civil Engineering Academy, Felling, Gateshead, NE10 0JP.

Applicants requiring Student sponsorship must demonstrate English language competence to the required CEFR level in accordance with UKVI requirements. NCG is permitted, as an HEP, to carry out its own assessment of an applicant’s English language proficiency for courses at RQF Level 6 and above. For courses at RQF Levels 3 – 5, English language proficiency must be demonstrated via a SELT (Secure English Language Test – e.g. UKVI IELTS). Alternative certification and non-SELT English tests may be accepted to demonstrate English language proficiency for courses at RQF Level 6 and above. Please see the NCG English Language Policy (UKVI Student Sponsorship) for further details.

2. Pre CAS checks

Applicants who intend to apply via the Student Route will have their visa application documents checked and verified as part of the admissions process. The process includes a UKVI immigration history check, a credibility questionnaire & interview and a check of financial documents. Failure to provide documents which meet the Student maintenance requirements as per the

Immigration Rules will result in the application being rejected and a CAS will not be issued.

- **Previous Visa Applications** – Applicants must declare any previous visa applications made for which a CAS was assigned by any UK institution and provide a copy of the Home Office decision even if this resulted in a refusal or rejection. A CAS statement for each of these applications must also be provided. Any applicant who has had a previous visa refusal must disclose and provide a full copy of their Home Office visa refusal decision letter. NCG reserves the right not to assign a CAS to any applicant / student who has had a previous visa refusal.
- **Previous Students** – Applicants must declare any previous studies undertaken in the UK.
- **Eligibility/UK Immigration History Checks** – NCG reserves the right to carry out eligibility/UK immigration history checks with UKVI via NCG's Premium Account Manager. . If an applicant does not consent to disclosure of this information the application will be rejected.

Before a CAS is issued, the CAS Approval Committee will meet to review each individual case. In the event that the Committee cannot reach agreement on whether to issue a CAS, the final decision will be made by the Chief Operations & Compliance Officer.

If it is discovered that a false statement has been made, false documents submitted or significant information omitted from an application, NCG reserves the right to withdraw or amend an offer.

NCG reserves the right to refuse to issue a CAS to an applicant if they fail to meet the conditions of their offer or if they fail to meet the criteria as set out in this policy.

CAS assignment does not guarantee success in securing a Student visa. NCG is not responsible for any decisions made by the Home Office and cannot accept liability for any sponsored student failing to obtain a visa and / or consequence, loss (whether financial or otherwise) of such failure; nor is NCG liable for the consequences of refusing to assign a CAS.

Receipt of an academic offer does not guarantee that a CAS will be assigned to an applicant. NCG will only assign a CAS to a prospective student if they meet all of the conditions of their offer, academic entry requirements, as well as the conditions of this Policy.

NCG will not assign a CAS where:

- The course of intended study will not comply with Student Route requirements (e.g. where a work placement constitutes more than 50% of the course duration).
- The course is not considered to represent academic progression, where an exemption does not apply.
- The applicant / student will not arrive in time for the course start date.

- The applicant / student is not expected to successfully complete the course by the course end date.
- The applicant / student is not expected to follow the course of study.
- The applicant / student has submitted documents which are proven or suspected to be fraudulent.
- Sponsoring a student will put its sponsor licence at risk.
- NCG has concerns about the applicant / student's genuine intention to study.
- There is any reason to believe that a student will not comply with the conditions of their Student leave.
- Concerns about the applicant / student's ability to pay course fees exist.

NCG is under no legal obligation to assign a CAS and exercises caution so as not to risk its status as a Student sponsor. NCG will only assign a CAS where it is believed that the visa application will be successful and reserves the right to refuse to assign a CAS if there are reasonable grounds for suspecting otherwise.

3. Student Route Visa Application

A CAS can be used up to 6 months prior to the start date of a course.

Bank statements and related documents which are verified for use in a student's Student visa application must be submitted to UKVI as supporting documents. For applicants whose nationality is listed on UKVI's Appendix H, different requirements apply, however documents must be available if requested by UKVI after the submission of the visa application.

If an applicant receives a visa refusal from UKVI, the NCG International Compliance Officer must be informed immediately. Applicants will then be advised on the next course of action which may include challenging the decision via the Administrative Review process.

Courses have a two-week late acceptance period following the initial start date. Every effort must be made to avoid late enrolment as this must be reported to UKVI within 10 days of the latest start date. If students are delayed due to exceptional circumstances, they must ensure that the NCG Internal Compliance Officer is kept informed so that information can be communicated to UKVI.

Students who are already in the UK and wish to extend their visa, a CAS will only be issued once a visa application appointment is booked with the International Compliance Officer. The form will be checked before the student pays for and submits the application.
