UKVI Compliance Policy	Links into wider Student sponsor compliance activities

**Note** – This document relates to the monitoring of attendance and engagement of those learners sponsored by NCG under the Tier 4 / Student Visa route as per UK Visas and Immigration (UKVI) requirements. For non-Tier 4 / Student route International Students, please refer to the applicable College attendance policy.

## 1. Introduction

NCG, and its member colleges, has a no tolerance policy regarding non-attendance and lateness and as a result the expectation is that all students achieve 100% attendance and punctuality.

Students should attend all classes punctually according to their signed Learning Agreement and course timetable. This gives them the best opportunity to be successful in their studies. It is a requirement of NCG's Student Sponsor status that UKVI is informed of significant periods of student non-attendance. Reporting periods of unauthorised non-attendance to UKVI is mandatory.

As a Student sponsor, NCG is required to implement and operate a robust attendance and engagement policy for its sponsored Students. Any student sponsored under the UKVI Student licence who fails to engage with their programme of study, as set out in this policy, will be reported to UKVI and will be withdrawn from their programme of study, unless there are exceptional extenuating circumstances.

**To be clear** –where a student is reported to the UKVI as a result of failing to engage, where there are no extenuating circumstance, this will result in the student's Tier 4 / Student leave being curtailed (cancelled).

NCG's definition of academic engagement activity is as follows:

- Attending required lectures, seminars or tutorials.
- Undertaking required laboratory work.
- Undertaking research or fieldwork.
- Submitting essays, assignments and attending examinations.

## 2. Unplanned absence due to emergency or illness:

If a student needs to miss a session as listed above, they should:

- Contact the School Office or relevant member of staff as soon as possible (preferably by 9am the same morning) to explain the unplanned absence.
- Provide a medical note from their GP if the absence is longer than one calendar week and illness is the reason for the absence.

## 3. Planned absence:

- Discuss the matter with the Programme Leader in advance of any unavoidable planned absence.

- Complete an application for authorised absence form, obtain the Programme Leader's signature and submit it to the NCG International Compliance Officer. This will be subsequently shared with the International Office of the relevant college.
- The NCG International Compliance Officer to check the following Monday that the planned absence has been inputted correctly into registers.

#### **4. For all absence including authorised, the student is responsible for:**

- Catching up on missed work by viewing missed sessions / notes via Moodle / Teams and / or other programme sites
- Attending an additional / alternative session where possible and catching up on missed work as soon as they able to do so.

On return to College the student should discuss any outstanding work and arrangements to catch up with their Personal Tutor (FE Full time) designated programme lead or Lecturer (HE) **Student Re-engagement.**

Students studying RQF level 3-5 who have an attendance record of less than 85% in a given month and students studying RQF level 6 and above who fail to attend for three consecutive calendar weeks, will be invited to attend a re-engagement meeting with the NCG International Compliance Officer and the relevant course tutor.

Students whose attendance and engagement does not improve, following the re-engagement meeting, will risk being withdrawn from the programme and reported to UKVI. The decision to authorise any period of absence is at the discretion of the programme leader, personal tutor or lecturer and will be in line with either this policy and / or NCG HE Academic Regulations. For example, if a student will be absent for a prolonged period, perhaps because they are ill, the programme leader may decide that this is authorised. It is important to note however that in making this decision, the programme leader will consider whether or not the student will then be able to re-engage with their studies on return, without repeating a previous period of study.

Any authorised long-term leave must be reported to the NCG International Compliance Officer. Where a student is unable to engage with their study due to illness or personal circumstances for a period of 60 days, the student will be withdrawn and reported to UKVI, with the option to defer at a later date.

If the option to defer results in a new CAS being required for the student to complete the course, the decision to issue the new CAS will be made by the International Compliance Officer.

#### **5. Thresholds for withdrawal and reporting to UKVI**

- A student studying at RQF level 3-5 whose attendance falls below 70% for three consecutive calendar months will be withdrawn and reported to UKVI.
- A student studying at RQF level 6 and above who fails to engage for 60 consecutive calendar days will be withdrawn and reported to UKVI.

- If the personal tutor, lecturer or programme leader confirms that the failure to engage is such that the student cannot progress through and / or complete the course successfully, the student will be withdrawn and reported to UKVI.

## **6. Monitoring student attendance and reporting to UKVI**

- International student attendance is monitored by the NCG International Compliance Officer on a fortnightly basis using the Unit-E Columbus 'learner attendance summary' report.
- This report is recorded and where a re-engagement meeting occurs, the report is annotated with the details of the meeting and any actions related to the re-engagement plan for a given student.
- International student attendance is reviewed at the termly international committee meeting, with any concerns raised by the HE or academic teams, being addressed with the student by the NCG International Compliance Officer.
